Dear Mayor Rhonda and Michael,

**REQUEST A DONATION TOWARDS AUSTRALIA DAY 2019**

The Lions Club of Nambucca Heads together with the assistance of the Chamber of Commerce, the Nambucca Heads RSL Club and other Organisations together with the Nambucca Shire Council's support, are again planning to hold activities in Nambucca Heads to celebrate Australia Day 2019.

Whilst planning is relatively well advanced, based on the activities previously conducted Australia Day 2018, these activities will again centre around Gordon Park with amusement rides, food and market stalls together with a ceremony, BBQs, river raft race and a live music concert being presented at Gordon Park in Nambucca Heads.

The Australia Day Committee is seeking collection of sponsorship to assist with the running of these activities. It would be appreciated if the Nambucca Shire Council could consider a donation towards covering the expected expenditure towards the hiring of items not readily available free of charge in the community. Eg marquees, traffic control and advertising.

The Committee have agreed that all money raised will be put towards another "Community Asset at Bellwood Park" being an additional shelter shed, benches and BBQs.

Yours sincerely,

**Peter Mitchell**
