

2017 to 2021 Delivery Program as at 31 December 2018

SF1618 3062/2019 adopted

Nambucca Shire Delivery Program 2017 – 2021

Theme 1 Caring for our Community			
Objective 1 Our Community will be a safe, healthy place to live where everyone is valued.			
Key Strategy 1.1 Sustainable Delivery of Services			
Program 1.1.1 Civic Leadership and administration - Council engages the Community in the process of open government. Public participation is encouraged not only in policy development and major decisions, but in the day to day operations of the Council.			
Actions	Lead Responsibility	Success Measure	Status as at 31 December 2018
1.1.1.1 Using a variety of tools, engage with the community in ways that are accessible and transparent	General Manager Asst General Managers	Continue to liaise with Council Section 355 committees to provide advice on policy areas. Offer public forums and delegations to Council meetings. Arrange Council meetings throughout the Shire. Provide open access to information held by Council wherever possible.	Attendance by staff and councillors at S355 AGM's. Delegations attended and public forums held at Council meetings which were held across the Shire. Information provided to community members during the year.
1.1.1.2 Use information from the community in decision making	General Manager Asst General Managers	Undertake regular Community Satisfaction Surveys. Report submissions and community comment to Council.	Community survey to be undertaken in July 2019.
1.1.1.3 Keep the Community informed of the decisions, key issues and actions of Council	General Manager Asst General Managers	Use Council's website, media opportunities, newsletters and direct personal communications to inform stakeholders and the community	Council reports and minutes of meetings posted on website. Council Facebook page reactivated. Media releases distributed and various television, radio and newspaper articles on Council activities occurred during the year to date. Newsletter to residents to accompany rate notices.
1.1.1.4 Maintain an effective governance regime	General Manager AGM Corporate Services	Integrated Planning and Reporting requirements met. An effective Internal Audit Function is Maintained.	All requirements met to Dec 31st. Internal audit function operating with all but 3 recommendations implemented. Expressions of Interest for new Internal Auditor to be sought next quarter.

Theme 1 Caring for our Community			
Objective 1 Our Community will be a safe, healthy place to live where everyone is valued.			
Key Strategy 1.1 Sustainable Delivery of Services			
Program 1.1.2 Sustainable Delivery of Services - Council delivers services that reflect the priorities of the community and makes best use of the available resources.			
Actions	Lead Responsibility	Success Measure	Status as at 31 December 2018
1.1.2.1 Identify and implement initiatives to improve financial sustainability.	General Manager Asst General Managers	Revenue increases - complete grant funding – Fit for the Future (FFTF) financial sustainability indicators. Expense saving initiatives	Funding increased from grants, development fees and investment interest during the year. Too early to determine if all Financial FFTF indicators have been met in current year. Savings on salaries due to vacancies.
1.1.2.2 Use of effective asset management practices	Manager of Assets	Annual asset management maturity assessments	A NAMS maturity assessment was completed in December 2018 with a result indicating that the asset management maturity has increased over the past two years. This is attributed to a number of new and revised Asset Management Plans (AMPs)
1.1.2.3 Embrace a culture of continuous improvement including the best utilisation of the human resources, reviews of what and how services are delivered with a view to improvement of processes and the embracing of new technologies.	General Manager Asst General Managers	Services reviews completed Workforce development and redesign. New technology adopted. Staff initiatives investigated and considered Service Level reviewed as required Processes reviewed and improved.	Opportunities and Innovation register established with 6 monthly reporting to MANEX B in November 2018. Finance and Engineering Depts service reviews undertaken. Org structure revised to replace MFS with CFO position with appointment next quarter. Participated in LG Professionals Performance Excellence Program with action list developed. Upgrade of ICT software and operating programs planned for 2018/19. Content Manager, Infocouncil, Microsoft and Authority.

Theme 1 Caring for our Community			
Objective 1 Our Community will be a safe, healthy place to live where everyone is valued.			
Key Strategy 1.1 Sustainable Delivery of Services			
Program 1.1.3 Risk Management - Council will identify and manage risks likely to have a material impact on the organisation's ability to achieve its mission and objectives.			
Actions	Lead Responsibility	Success Measure	Status as at 31 December 2018
1.1.3.1 Integrate effective risk management practices across the organisation.	Risk Officer	Maintain a current risk register with considered risk treatments. Maintain effective insurance coverage. Maintain a register of instances of safety, regulatory or financial non-compliance or mishaps. Impact on Council's risk profile considered as part of Council's regular reporting	Strategic risk register developed and adopted by Council in Jan 2019. New Risk System (Vault) implemented New reporting from the field capability introduced. Insurance through Statewide and Statecover Register of instances maintained. Regular reporting to MANEX A.
1.1.3.2 Instil a culture of safe work practices across the organisation	General Manager, Asst General Managers and Risk Officer	Implement WHS action plan with regular audits. Reduction in the number of work related claims or reported incidents.	Enhanced reporting of work related claims and reported incidents to management and the Council.

Theme 1 Caring for our Community			
Objective Our Community will be a safe, healthy place to live where everyone is valued.			
Key Strategy 1.2 Public order and safety			
Program 1.2.1 Public order and safety - Community Safety - The Nambucca Shire shall foster Communities where people feel safe and secure.			
Actions	Lead Responsibility	Success Measure	Status as at 31 December 2018
1.2.1.1 Provide support for local emergency services and beach safety	General Manager AGM Engineering Services	Fire Trails maintained. Lifeguard services provided. Maintain an effective Local Emergency Management Committee. Provide Effective Ranger Services to regulate use of beaches by 4WD's	Bush fire mitigation and trail maintenance undertaken and directions from the RFS complied with. Lifeguard services funded. LEMC meetings held quarterly, new EMPlan reviewed and adopted. Council attendance at REMC meetings. Ranger services adversely impacted by staff turnover.
1.2.1.2 Provide leadership on safety initiatives	Mayor General Manager Manager Technical Services	Road safety improvements recommended through the Local Traffic Advisory Committee. Specific safety initiatives such as alcohol free zones implemented in conjunction with the Local Police District	Recommendations of Local Traffic Advisory Committee implemented. Alcohol free zone for Nambucca Heads, Bowra Street precinct reviewed and its re-establishment due for 10 January 2019.

Theme 1 Caring for our Community			
Objective Our Community will be a safe, healthy place to live where everyone is valued.			
Key Strategy 1.2 Public order and safety			
Program 1.2.2 Companion Animal Welfare - Companion Animals will be proactively managed to ensure the community's safety and high standard of animal welfare.			
Actions	Lead Responsibility	Success Measure	Status as at 31 December 2018
1.2.2.1 Manage Companion Animals to ensure the communities safety and improve animal welfare.	Manager Development and Environment.	Number of impounded animals reduced Number of euthanised animals reduced Number of impounded animals rehomed increased. Responsible Pet Ownership programs run to assist disadvantaged groups with desexing and registration costs. Maintain 'doggy bags and bins" program for the responsible disposal of dog faeces	The number of animals rehomed has increased significantly due to Council actively working with rescue groups. The only animals destroyed have been those considered dangerous as a result of an attack. Program maintained during the period.
1.2.2.2 Provide open spaces where dogs can be exercised.	Manager Development and Environment	Maintain and police dog walking and off leash areas	Councils Rangers have been undertaking regular patrols, with additional on leash areas in Nambucca Heads provided.

Theme 1 Caring for our Community			
Objective Our Community will be a safe, healthy place to live where everyone is valued.			
Key Strategy 1.3 Public health			
Program 1.3.1 Public health - Safe Food - The Nambucca Shire Council will guard against illness caused by unhealthy food by promoting and enforcing food hygiene standards			
Actions	Lead Responsibility	Success Measure	Status as at 31 December 2018
1.3.1.1 Effectively license and regulated premises that handle food for public consumption	Manager Development and Environment	All required premises licensed. All routine Inspections completed. Effective response to complaints. Reduction in warnings, infringements and reported cases of illness caused by unsafe food.	All food premises inspected and report submitted to the NSW Food Authority within the specified period.

Theme 1 Caring for our Community			
Objective Our Community will be a safe, healthy place to live where everyone is valued.			
Key Strategy 1.3 Public health			
Program 1.3.2 Public health - Clean Water - Council will improve healthy waterways though promoting and implementing where possible the protection of riparian areas and minimising pollution sources.			
Actions	Lead Responsibility	Success Measure	Status as at 31 December 2018
1.3.2.1 Ensure Nambucca waterways will not be contaminated by on-site sewerage systems. This will be achieved by efficient licensing and monitoring regime and effective enforcement of the current standards.	Manager Development and Environment	All required on-site sewerage systems licensed. All routine Inspections completed. Effective response to complaints. Reduction in warnings, infringements and reported cases of pollution from on-site sewerage systems.	The OSSM inspection program was amended in 2015/16 by classifying properties into 1 of 3 zones, with inspection fees being charged as part of rates notices. The amended inspection program has been operating ahead of schedule, with any identified failing systems actively rectified through compliance action. On average 30% of inspected systems fail. Funding to be sought to extend sewerage to connect high risk septic on Gumma Road.
1.3.2.2 Protection and restoration of riparian areas as prioritised in the Nambucca River Estuary Management Plan - Dependent on grant funding and funding from the Environmental Levy.	Manager Development and Environment	Projects from the Nambucca River Estuary Management Plan completed.	All outstanding projects completed with future projects currently awaiting approvals from state agencies.

Theme 1 Caring for our Community			
Objective Our Community will be a safe, healthy place to live where everyone is valued.			
Key Strategy 1.3 Public health			
Program 1.3.3 Personal Health and Wellbeing - Council will seek to improve the overall health and wellbeing of the community of the Nambucca Valley by supporting public health initiatives, and advocating for improved health services and supporting age care services.			
Actions	Lead Responsibility	Success Measure	Status as at 31 December 2018
1.3.3.1 Support existing and initiate new public health activities. Specifically advocate to the State Government for improved health services.	Council General Manager	Effective advocacy Upgrade or replacement of Macksville Hospital.	Council has funded the trunk water & sewerage to the new Macksville hospital. It has also waived contributions for water & sewerage headworks and provided pro-bono DA assessment. This support is valued at \$1.5m.

Theme 2 Caring for our Environment			
Objective Our community values our natural environment and seeks a safe, livable, sustainable built environment that is adaptive to change.			
Key Strategy 2.1 Well Planned Communities			
Program 2.1.2 Housing - Housing across the Nambucca Shire provides choice and is affordable.			
Actions	Lead Responsibility	Success Measure	Status as at 31 December 2018
2.1.2.1 Provide diverse, sustainable, adaptable and affordable housing options through effective land use planning.	Manager Development and Environment	There is adequate vacant residential land stock. Support for low cost housing.	While there has been growth in the take up of vacant residential land, there are still considerable areas of growth available under the current planning instruments.

Theme 2 Caring for our Environment			
Objective Our community values our natural environment and seeks a safe, livable, sustainable built environment that is adaptive to change.			
Key Strategy 2.2 Building Regulation			
Strategy 2.2.1 Safe Buildings and Pools - Building and swimming pool certification will be achieved in an accurate and timely manner. An effective risk based compliance program for building fire safety and pool safety is maintained.			
Actions	Lead Responsibility	Success Measure	Status as at 31 December 2018
2.2.2.1 Ensure private pools are of a safe standard.	Manager Development and Environment	All pools in the Shire are certified as complying	The inspection program has slowed due to resourcing factors.
2.2.2.2 Ensure private infrastructure and buildings comply with relevant standards and codes.	Manager Development and Environment	Council offers a competitive certification service. Council maintains an effective compliance program.	Council has increased its compliance presence within the land use space.
2.2.2.3 Ensure Fire Safety regulations are enforced.	Manager Development and Environment	A risk based compliance program for building fire safety is conducted.	Fire safety statement audits are ongoing on an annual basis.
2.2.2.4 Promote sustainable building practices including energy and water efficiency.	Manager Development and Environment Manager Water and Sewerage	Information and assistance on sustainable building practices is made available. Council subsidises the installation of water tanks.	Water tank subsidies are available. Promotion of energy efficient practices is driven through compliance with BASIX requirements.

Theme 2 Caring for our Environment			
Objective Our community values our natural environment and seeks a safe, livable, sustainable built environment that is adaptive to change.			
Key Strategy 2.3 Environmental Services and Community Amenities			
Strategy 2.3.1 Waste Management - The natural environment will be protected through ensuring cost effective and environmentally responsible management of solid waste.			
Actions	Lead Responsibility	Success Measure	Status as at 31 December 2018
2.3.1.1 Provide an efficient and effective waste management facility that meets environmental standards.	Civic Services Co-ordinator	Nambucca Waste Management facility available to the public Ratepayers without kerbside collection receive a tip access voucher Plans for construction and rehabilitation of landfill cells kept current and are executed as planned. Undertake groundwater and surface water testing to meet licensing requirements. Undertake pollution studies, reduction programs and necessary actions to meet licensing requirements.	The waste depot facility remained open all year with the exception of public holidays. A waste voucher was made available for rural properties as per Council resolution and a kerbside bulky goods collection provided for the urban areas. A new waste cell was constructed and water testing was undertaken after each rain event in accordance with the EPA License.
2.3.1.2 Provide kerbside collection of separated domestic mixed waste materials	Civic Services Co-ordinator	Cost effective and reliable kerbside collection of waste. Regular bulky items collection program conducted.	The kerbside waste collection contract was extended with the contractor until the new contract came into effect on 5 March 2018. In accordance with Council resolution one bulky goods collection was provided for the urban areas.
2.3.1.3 Implement waste minimisation strategies.	Civic Services Co-ordinator	Source separation of waste enforced. Waste minimisation education program delivered. Advanced waste processing to minimise amount of waste going to landfill	A new waste processing contract came into effect on 5 March 2018, part of the contract required an upgrade to the MRF to provide a higher processing of recyclable materials and minimise waste to landfill. NSW target by 2022 for recovery of municipal waste is 70%. Council exceeds the recovery rate which is currently at 90%. The decision by the EPA in 2018 to no longer allow waste to land is still being assessed and will potentially affect the waste recovery rate to land fill

2.3.1.4 Minimise illegal dumping of waste.	Manager Development and Environment	Reduced instances of illegal dumping Successful prosecution of illegal dumping offenders.	Installation of hidden cameras to catch those dumping in hotspots has commenced and grant funding sought.
--	-------------------------------------	--	---

Theme 2 Caring for our Environment			
Objective Our community values our natural environment and seeks a safe, livable, sustainable built environment that is adaptive to change.			
Key Strategy 2.3 Environmental Services and Community Amenities			
Strategy 2.3.2 Street Cleaning			
Actions	Lead Responsibility	Success Measure	Status as at 31 December 2018
2.3.2.1 Street Sweeping of high-profile areas	Civic Services Co-ordinator	High profile streets swept as required.	High profile streets and the CBD areas were swept by a contract street sweeper prior to the NSW school holiday periods.
2.3.2.2 Street and Park Litter Bins	Civic Services Co-ordinator	Litter bins emptied before they overflow or cause a public nuisance.	The number of litter bins within the shire has been rationalized and are emptied on a daily basis in high use areas. All solar bins send an alert to the staff that the bins are at 70% capacity and will require emptying
2.3.2.3 CBD foot paths	Civic Services Co-ordinator	Footpaths cleaned as required	No action was taken for a major clean of the CBD areas in this reporting period. General cleaning continued by day labour within Civic Services as required

Theme 2 Caring for our Environment			
Objective Our community values our natural environment and seeks a safe, livable, sustainable built environment that is adaptive to change.			
Key Strategy 2.3 Environmental Services and Community Amenities			
Strategy 2.3.3 Environmental Protection - Council will seek to protect our natural environment by strategically managing operations and development and regulating activities with environmental impacts.			
Actions	Lead Responsibility	Success Measure	Status as at 31 December 2018
2.3.3.1 Protect against deliberate damage on public land.	Green Space Co-ordinator Co-ordinator Strategic Planning and Natural Resources	Tree vandalism is investigated in accordance with policy and legislation	No action was required during this reporting period. Protocol for vandalism of tree damage is to investigate after each incident by the Green Space Coordinator, report the matter to the Police and followed up with a media release.
2.3.3.2 Support community organisations undertaking natural resource management.	Engineering services Grants Officer Coordinator Strategic Planning and Natural Resources	Support Landcare, Dunecare and wetlands projects Co-ordinated projects with North Coast Local Land Services	Council partnered with Nambucca Valley Landcare and other groups on projects including: <ul style="list-style-type: none"> - Hennessy Tape Riparian Improvements; - Bank Stabilisation Works and Fish Habitat Improvements (Wilson Road) - Organic Farming Education - Protecting and Connecting Coastal Corridors at Mt Yarrahapinni - Yarrahapinni to Killiekrankie Biodiversity Alliance Bush Connect Project 2016-2026 - Coastal Habitat protection of Endangered Community and population (<i>glycine clandestina</i>) in Scotts Head - Indian Myna Bird Management - EEC Management at Swimming Creek; - RMS Offset requirements for mangrove and saltmarsh

2.3.3.3 Develop management plans for environmentally sensitive areas.	Coordinator Strategic Planning and Natural Resources	Development management plans or amended plans adopted.	<ul style="list-style-type: none"> - Dawkins Park Stormwater Management Plan and designs finalised - Commenced design/ management plans for coastal areas in Scotts Head and Nambucca Heads - Commenced preparation of new Coastal Management Program. - Commenced preparation of Foreshore Design for Main Beach Nambucca Heads - Entrance Masterplan prepared for Mann St Nambucca Heads
---	--	--	---

Theme 2 Caring for our Environment			
Objective Our community values our natural environment and seeks a safe, livable, sustainable built environment that is adaptive to change.			
Key Strategy 2.3 Environmental Services and Community Amenities			
Strategy 2.3.4 Biodiversity - The biodiversity of the Nambucca Valley's will be protected and enhanced.			
Actions	Lead Responsibility	Success Measure	Status as at 31 December 2018
2.3.4.1 Control Noxious weeds	Co-ordinator Open Spaces	Control of noxious and other environmentally hazardous weeds. Education program on noxious weeds	Council continued with a program of inspections of private and council owned lands for noxious weeds during this reporting period, a series of media releases were prepared and released on high profile noxious weeds.
2.3.4.2 Deliver projects funded under the Environmental Levy that promote biodiversity.	Coordinator Strategic Planning and Natural Resources	Projects delivered	<p>The following projects were undertaken or continued during the reporting period with funding from the Environmental Levy or other sources:</p> <ul style="list-style-type: none"> - Public Reserves Revegetation and Restoration - Dawkins Park Management - Fish Habitat and Bank Stabilisation various locations - Indian Myna Bird Management - Ecohealth Monitoring complete - Gumma Swamp Acid Sulphate Soil

			Management Program and Monitoring - Gordon Park Flying Fox Management Plan Implementation - Noxious weed management - Coastal EEC and Endangered Species habitat Management Scotts Head.
--	--	--	--

Theme 2 Caring for our Environment			
Objective Our community values our natural environment and seeks a safe, livable, sustainable built environment that is adaptive to change.			
Key Strategy 2.3 Environmental Services and Community Amenities			
Strategy 2.3.5 Cemeteries - Well maintained cemeteries shall be provided across the Shire.			
Actions	Lead Responsibility	Success Measure	Status as at 31 December 2018
2.3.5.1 Effectively and efficiently manage, maintain and administer cemeteries across the Shire	Manager Development and Environment	Affordable and efficient internment services provided Cemeteries respectfully maintained. Plan of management implemented for each cemetery	New policy adopted by Council for ongoing management of cemeteries. Upgrade works at Nambucca Cemetery have commenced.

Theme 3 Living well			
Objective Our community values our natural environment and seeks a safe, livable, sustainable built environment that is adaptive to change.			
Key Strategy 3.1 Recreation and Culture			
Strategy 3.1.1 Cultural Activities - Nambucca Shire Council will actively support cultural services, the arts and the preservation of our local heritage			
Actions	Lead Responsibility	Success Measure	Status as at 31 December 2018
3.1.3.1 Continued involvement with the Regional Arts Development Board	Manager Community Development	Representation on Board of Management Programs Delivered by the Regional Arts Development Board	Cr Susan Jenvey is Council's delegate to the Board. The Arts Mid North Coast regular newsletter keeps Council and community informed about opportunities and events.
3.1.1.2 Support Local museums	Manager Community Development	Museums continue to operate successfully. Attract new volunteers and visitors.	Museums continue to operate with steady volunteer numbers, could always use more. Mary Boulton Cottage Committee conducts monthly "Golden Oldies Cuppa & Chat" –

			sharing memories and support for museum. Nambucca Headland Museum – a range of programs throughout the year and planning a revitalization. Both provide Council with information and historical images for key projects.
3.1.1.2 Investigate / Promote public art and street art	Manager Community Development	Public art and street art incorporated into redevelopment of commercial areas	A noticeable increase in public art throughout the valley eg several murals in Wallace Lane, Macksville.

Theme 3 Living well			
Objective Our community values our natural environment and seeks a safe, livable, sustainable built environment that is adaptive to change.			
Key Strategy 3.1 Recreation and Culture			
Strategy 3.1.2 Meeting Places - Meeting Places will be provided across the Shire to support an inclusive community.			
Actions	Lead Responsibility	Success Measure	Status as at 31 December 2018
3.1.2.1 Maintain public buildings where justified by community use.	Manager of Assets	Work with section 355 committees responsible for the buildings. Ensure fire safety requirements are met at all buildings.	All fire inspections of halls were completed in accordance with the legislative requirements. Permits are displayed at each hall.
3.1.2.2 Operate the Senior Citizens Centre at Macksville	Manager of Assets BSU	Operate the hire of the Hall Clean and maintain the Hall	Hall being hired out through the BSU. Cleaning after use is a condition of hire.

Theme 3 Living well			
Objective Our community values our natural environment and seeks a safe, livable, sustainable built environment that is adaptive to change.			
Key Strategy 3.1 Recreation and Culture			
Strategy 3.1.3 Active Recreational Activities - The Nambucca Valley will have a variety of safe and well maintained sporting fields, recreational areas and facilities to meet needs of all age groups in the community.			
Actions	Lead Responsibility	Success Measure	Status as at 31 December 2018
3.1.3.1 Maintain Sporting Facilities – Ovals, skate parks, tennis courts, netball courts, basketball courts, fitness trails.	AGM Engineering	Work with 355 Committee to manage sporting facilities. Continue to review Master plans priorities for sporting facilities. Delivery of priorities in the Open Space Strategy. Safety and maintenance inspection program completed.	Committees operating within their Charter Revised S355 C'tee Guidelines have been completed along with a volunteer's handbook. Review of master plans scheduled for 2018/19 All playground equipment inspected and repairs undertaken if required.
3.1.3.2 Operate and Maintain Aquatic Centre	Manager Business Development	Work with Contract operator to deliver affordable and popular gym and swimming program. Effectively manage and maintain the centre within the agreed budget.	5 year tender at June 2016 now in 3 rd year of the contract. Council is responsible for all asset repairs greater than \$2,500 per unit. Subsidy payable to contractor in year 3 is \$216,323.

3.1.3.3 Operate and Maintain Open Spaces	Green Space Coordinator	Open Spaces effectively and efficiency maintained to service levels agreed with the community. Work with and support community volunteers and community work schemes to maintain and improve open spaces.	Ground maintenance continued through this reporting period by aeration, fertilization and topdressing on high use sporting ovals. Normal slashing, mowing and whipper snipping contained within this reporting period for the open space areas, high bank areas have been planted out using mulch, native trees and shrubs to minimise maintenance and WHS issues.
--	-------------------------	---	---

Theme 3 Living well			
Objective Our community values our natural environment and seeks a safe, livable, sustainable built environment that is adaptive to change.			
Key Strategy 3.2 Community support and education			
Strategy 3.2.1 Connected Community - Council will seek to foster a community that is mutually self-supporting and proud of its identity and will regularly engage with all segments of the community across the Shire.			
Actions	Lead Responsibility	Success Measure	Status as at 31 December 2018
3.2.1.1 Work with S355 Committees to deliver social and community infrastructure	General Manager Assistant General Manager Corporate Services	S355 committees operating successfully and fulfilling their charters Projects and events delivered in co-operation with S355 committees	Committees operating within their Charter. Meeting of all S355 Committee executives held. Revised S355 C'tee Guidelines, Volunteer Handbook and Code of Conduct distributed.
3.2.1.2 Auspice Grant Funding and provide grant writing support	Grants Officer	Grant funds obtained Grants auspiced on behalf of community organisations as required.	Worked with several Committees of Management and community groups in submission of grant applications, and were successful in sourcing grant funding for some community projects including Outdoor Covered Area – Taylors Arm Hall – <i>now completed</i> ; Upgrade of South Arm Hall kitchen; Fencing for Scotts Head Tennis Club – <i>now completed</i> ; Upgrade of amenities at Macksville Park – <i>in progress</i> ; Upgrade drainage facilities at Anderson Park, Valla Beach – <i>now completed</i> ; Nambucca Valley Organic Farm Business Program with Nambucca Valley LandCare – <i>grant acquitted</i> ; Installation of a cricket pitch at Valley Beach; Upgrade the Nambucca Heads SLSC Building;

<p>3.2.1.3 Promote social equity with equal opportunities for access and participation</p>	<p>Manager Community Development</p>	<p>Access Committee functions effectively and recommendations passed to Council Senior weeks supported.</p>	<p>Meetings have been held monthly except for December. All meetings have attracted a quorum and over the period membership has remained strong and steady with 13 members. All minutes reported to Council.</p> <p>Seniors Week event is planned for 14 February 2019.</p>
