Pricing Policy

Code	Description
A	Economic Cost Total cost of providing services for private good. A fixed charge at the estimate cost of providing the service.
B	Community Services Services considered to have a level of benefit to the community. Generally, benefits are not solely confined to users. Partially funded by rates.
C	Regulated Charges Federal or State Government set charges including Development Application and Section 7.12 Developer fees. These fees may change at any time based on advice received from Government Departments and will be updated in the <i>Schedule of Fees and Charges</i> at that time.
D	User Pays Principal Services under this category are such that individual costs can be determined and met by the user of the service. The charge may vary according to the services provided.
E	Market Forces Services which Council operates in a competitive market and needs to fix charges similar to other providers.
F	Cost Plus Services provided on a commercial basis with an amount of risk profit included.
G	Developer Contributions – Section 64 / 7.11 / Quarries Plan The Section 7.11 Plan provides for yearly increases in these fees based on Consumer Price Index (CPI) increases.

Goods and Services Tax (GST)

T	Taxable (including GST)
E	Exempt of GST – non taxable
F	Free of GST – non taxable
T/ E / F	GST treatment as the fee or charge to which it relates

Council applies various fees, charges and fines. Many of these fees and charges are determined by legislation and as such Council may be required to amend legislated regulated fees after 1 July. Council will do so without advertising these changes.

The GST status of these fees and charges depends on whether there is consideration for supply. Some fees and charges are exempt from GST in accordance with the Class Rulings issued by the

Australian Tax Office. The GST status of each fee or charge is noted in the Column “Goods and Services Tax”.

While the fee amount in this document will not alter without a resolution by Council, followed by a subsequent period of public exhibition, the applicability of the GST to the fees and charges may, depending on the interpretations and ruling of the GST legislation.

Where applicable, GST is however a component of Council’s cost for providing that service to the community.

Payment Options

Payment for Rates, Water and Sundry Debtors –

- With a Credit Card –
 - Online payments through Nambucca Valley Council’s website www.nambucca.nsw.gov.au
 - Telephone 1800 782 482
 - In person at the Council Administration Centre.
- BPay – details can be found at the bottom of rates and water notices, or Debtor invoices and statements.
- In person at the Council Administration Centre, 44 Princess St, Macksville.

All other fees and charges can be paid by Credit Card, Eftpos, cash and cheque at the Council Administration Centre.

Waste Disposal – fees and charges are payable by Credit Card or Eftpos only at the Waste Management Facility.

A surcharge will apply to all Credit Card payments. GST may apply to the surcharge, depending on the GST treatment of the original transaction. Diners Club and American Express cards are not accepted.

Major Amendments

Amendments where support studies are required.

NOTE: External consultancy fees and Council coordination costs (for example studies to accompany planning proposals) will be by quotation – full cost to be borne by proponent or as agreed by Council. The EPA Act Regulations permit Council to charge up to \$30,000 for major rezoning applications, this amount excludes studies and reports that are required to accompany the application. Council may deem it necessary to charge additional fees to those listed above where review of rezoning studies/ documentation is substantial or the information requires peer review by specialist consultants. An applicant will be advised in writing should additional fees to those listed be required.
