IMPORTANT INFORMATION

Please Note: Rates and Water Usage Accounts, in accordance with the law, are issued in the name of the property owner(s). If you direct Council to send either Rates or Water Accounts to a third party (including tenants or managing agents), please be aware that you (the property owner) will always remain legally liable for the payment of these accounts (regardless of any lease agreements or other agreements you may have with this party).

Council has a legal relationship only with the property owners in regards to Rates and Water Accounts and therefore in most circumstances will be unable to discuss account details (including the granting of payment extensions) with tenants or lessees.

Property owners are also liable for any penalty charges associated with overdue accounts including interest charges, legal action fees or water supply restriction fees.

If water Accounts are not paid by due dates the water supply may be restricted for non payment and a fee will be payable with any other outstanding account charges before normal water supply will be reinstated.

Owners Authorisation

I am the property owner (or director of the company) of the property(s) detailed on the front of this form and authorise this change of address. I also acknowledge and understand the "Important Information" detailed above in regards to payment liability.
